

# Accept credit, debit and eCheck payments in Odoo Enterprise.

## Benefits of EBizCharge

- ✓ Accept credit, debit, and eCheck payments directly in Odoo
- ✓ Automatically post payments to Odoo and mark invoices as paid
- ✓ Offer customers easy payment options and automate collections
- ✓ Qualify cards at the lowest rate so you pay less on processing fees

An out-of-the-box payment integration that allows you to accept credit and debit card payments, send email payment reminders to customers, automate payment collections, and more—right within Odoo. EBizCharge qualifies cards at the lowest rates, lowering your monthly processing costs. Easy installation and no development needed.

## Run payments in these Odoo apps:

- ✓ CRM
- ✓ Accounting
- ✓ eCommerce
- ✓ EBizCharge App

## ✨ How it works

- ✓ Plug the pre-built EBizCharge add-on into your Odoo account.
- ✓ No need to change your existing workflow. Create orders the way you always have.
- ✓ Start collecting payment on those orders from directly in your Odoo account.

## Features

### Run Transactions *(Accounting)*

- ✓ Key in customer card info in Odoo at the time of a sale or use a customer saved payment method.

### Email Pay *(Accounting & EBizCharge App)*

- ✓ Email customers secure links to pay off invoices online.
- ✓ Send bulk email pay requests to multiple customers with open invoices.

### Customer Payment Portal *(EBizCharge App)*

- ✓ Sync invoices and sales orders to a branded portal for customers to view and pay at anytime.

### Request Payment Method *(CRM & EBizCharge App)*

- ✓ Securely retrieve customer payment information for current and future use.
- ✓ Hands-free collection of credit card data helps to reduce liability.

### Saved Cards *(CRM & EBizCharge App)*

- ✓ Securely store customer payment data to speed up future transactions.
- ✓ Eliminate liability in the case of a data breach by storing payment info off your system.

## Even more features

### Batch Processing *(EBizCharge App)*

- ✓ Quickly process multiple invoices with default payment methods with a single click.

### Generate Payment Link *(Accounting)*

- ✓ Generate a payment link for any invoice and copy and paste it anywhere.

### Transaction History *(EBizCharge App)*

- ✓ View transaction history, email receipts, and void or refund transactions.

### Custom Reporting *(EBizCharge App)*

- ✓ Build custom forms with 50+ search criteria or use one of our pre-built reports.
- ✓ Get an inside look at your payment collection efforts.
