

Accept credit and debit payments inside POS365.

EBizCharge is a fully embedded payment solution for POS365 by POS-ONE that integrates with Microsoft Dynamics 365 Business Central. It allows you to accept secure EMV and order payments directly inside POS365. Connect your in-store transactions with your back-office accounting in real time. EBizCharge qualifies cards at the lowest rates, lowering your monthly processing costs. Easy installation and no development needed.

Benefits of EBizCharge

- ✓ Accept EMV chip, tap, and swipe payments directly in POS365
- ✓ Automatically apply payments to the correct customer account and order
- ✓ Real-time syncing with Microsoft Dynamics 365 Business Central
- ✓ Qualifies cards at lowest rates so you pay less on processing fees

Run payments in these stages:

- ✓ Sales Orders
- ✓ Invoices
- ✓ Partial & Multi-Document Payments

🌟 How it works

- ✔ Plug the pre-built EBizCharge add-on into your POS365 account.
- ✔ No need to change your existing workflow. Create orders the way you always have.
- ✔ Start collecting payment on those orders from directly in your POS365 account.
