

Accept credit and debit payments in Oracle Fusion.

Benefits of EBizCharge

- ✓ Accept credit, debit, and ACH payments directly in Oracle Fusion
- ✓ Automatically posts payments to AR and GL and marks invoices as paid
- ✓ Offer customers easy payment options and automate collections
- ✓ Qualifies cards at lowest rates so you pay less on processing fees

+

An out-of-the-box payment integration that allows you to accept credit and debit card payments, automate payment collections, and more—right within Oracle Fusion. EBizCharge qualifies cards at the lowest rates, lowering your monthly processing costs. Easy installation and no development needed.

Run payments in these stages:

- ✓ Transactions Menu
- ✓ Customer Menu
- ✓ Sales Orders
- ✓ Invoices
